PROJECT TITLE  
WATER SYSTEM PWS#

**INTRODUCTION**

The Town of Greenville, NH has applied for funds through the State of New Hampshire Department of Environmental Services Drinking Water State Revolving Loan Fund (DWSRF), in accordance with Chapter Env-Dw 1100. This document addresses the requirements of Env-Dw 1107; the Environmental Review.

**DETAILS of PROJECT**

The proposed project includes the replacement of two raw water pumps and motors, two finished water pumps and motors, electrical work, heating and ventilation work in the raw water station, and refurbishment of the raw water station walls and door.

The estimated cost of the overall project is \$220,000. The Greenville Water Department has applied to borrow up to \$145,000 to finance the project. The remaining balance will be funded by the December 31, 2015 water unassigned fund balance.

**PUBLIC REVIEW**

The Board of Selectmen voted to authorize funding in the amount of \$220,000 for this project on March, 12, 2016, with \$145,000 to be funded from DWSRF. A public notice will be published by the Town of Greenville and a 30-day comment period will be held in accordance with the DWSRF rules.
