

Greenville Conservation Commission

December 11, 2023 Meeting Minutes

The meeting was called to order at 7pm. Present were Marshall Buttrick, Barbara Guay and Stacy DelVal. The previous minutes were read and approved.

Is Pilgrim Foods in compliance? Marshall contacted the EPA and DES and left voicemails at both places. They both returned his call, and had nothing to report.

21 Chamberlin Street #6 Mill - in continuance, at applicant's request.

Nashua River Watershed - nothing new to report.

The Natural Resources Inventory is still in progress.

Stacy has resigned from the Greenville Conservation Commission, and this is her last meeting. There is a vacancy for her position which has not been fulfilled yet.

New Business: Marshall will draft our report for the Town Report, and get it to Barbara to review.

We have chosen not to make a donation to the Souhegan River Watershed this year.

Marshall will be in touch with our town building inspector. There are some properties that have too many unregistered vehicles that need to be looked at.

The DES will also be contacted, because at least one of these properties is close to the water.

The meeting was adjourned at 7:45 pm. Our next meeting will be on January 8th at 7pm.
